

Name _____

MinecraftEdu Writing

This exciting project will stimulate and increase your creativity, innovation, critical thinking, problem solving, communication, and collaboration!

- Write a journal/diary about your experience surviving in Minecraft.
- Write as if you have actually been marooned on an island or an unknown land.
- Remember, your reader doesn't know anything about Minecraft and how you have to survive. Be as descriptive as possible on what you are doing and experiencing.
- Each entry should be as long as a piece of string.

Rubric

- Journal/diary format, typed
- 6 Traits and SAA Writing Skills
- Descriptive
- Creative

Final grade _____
